

# Recycling & Biological Hazard Free Certificate

Please complete this certificate and include it with your waste to be collected.

I confirm that this bag of recycling has had all paper labels removed.

I confirm that all **Code-1 PETE** waste has been separated from the **Code-5 Polypropylene** waste and placed in the appropriate container.

This certificate is valid until .....for 1 year..... and has been approved by Anachem until this time.

My Order number for the collection of the Anachem and Non-Anachem packaging is:  
.....

I confirm that all items are free from all biological hazards and where necessary have been decontaminated.

Signature:..... Date:.....

Name: .....

Position .....

Institute .....

Tel: .....

E-mail: .....

A new certificate must be completed and returned with each collection.  
If you require additional certificates or have any queries regarding the Anachem Stores Programme for Tip Packaging Recycling please do not hesitate to contact either Carly Plater or Danielle Tomkinson on 01582 747500 or e-mail [gogreen@anachem.co.uk](mailto:gogreen@anachem.co.uk)
