

## 5.) How to recycle with Anachem

Now you are a member of the Stores Programme we can provide you with containers to recycle your tip packaging waste.

Each container will be supplied with a Free of charge insert bag for the tip packaging.

**One BLUE for CODE-5 Polypropylene Waste ONLY**

**One RED for CODE-1 PETE Waste ONLY**

When using the Anachem Stores Programme for Tip Packaging Recycling please follow these few important rules:-

- 1). Remove **ALL** paper labels from products being recycled
- 2). Place all **CODE-5 Polypropylene waste** in the **BLUE** bags
- 3). Place all **Code-1 PETE waste** in the **RED** bags

[www.anachem.co.uk](http://www.anachem.co.uk)
